

Optional holes (Ø 8 mm)

Template for election posters 60 x 80 cm

← **Cropping zone**

Background graphics and background colours must go all the way to the edge, i.e. 3 mm beyond the final edge.

← **Final edge**

Final format of the printed matter after cropping.

← **Safety zone**

Text, images and logos are placed in the safety zone 3 mm from the final edge.

Remember to remove/delete the 'Template' layer before the final print file is generated.
